## Save With Us

Thorold Community Credit Union designed, The I love Savings Club for our members aged 13-17. It's a great way for you to save your allowance, holiday money, babysitting money, birthday money or paycheques! Your money will be safe a sound, and we even pay you dividends (money that we add to your account as an extra benefit).

## Additional Benefits

Our 13-17 year old members can get a credit union Chequing Account and Member Card with a parent or guardian as joint owner. This is safer than carrying cash and more convenient than getting cash. Plus, we also offer teens the advantage of using our Member Direct online banking system to help them learn how to keep track of their expenses.

## I Love Good Grades

By studying hard and doing the best you can, we will reward you at the end of the school year. Your final grades of A and B will give you the chance to win a prize!

## Open An Account Today!

All you need is \$5.00 or more. As an added bonus for opening an I love Savings Account you can invest in a Term Deposit and it will earn interest! You can invest just \$50.00 for 6, 12, 24 or 36 months. Once you have put the money aside for the given period of time, when that time's up, the money is yours to do whatever you desire with it!

## University & College Bound

Every year Thorold Community Credit Union offers high school seniors the chance to apply for one of two \$500 scholarship awards. One for a first year University entry student and one for a first year College entry strident .

## It's Been Proven...

Children who learn how to save and begin saving at a young age tend to go on to lead happier and more productive lives than those who didn't. That's not just us saying it; studies have proven it. You have a great opportunity to give your children or grandchildren a gift that will benefit them for their entire life.

## Membership Request Form

**YES! I Want To Belong To The I Love Savings Club**

Whether you're a teen who wants to open The I Love Savings Club Account or an adult who wants to help your children or grandchildren save, just fill out this form and return it to the credit union. Teens, don't forget that you need a grown-up with you when you open your account(s). Adults, bring your teens along so they can be involved with the process and see how it all works. It will be their account(s) after all!
